SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This Supplemental IDS is filed in the application identified above pursuant to 37 C.F.R. § 1.56. No representation is intended that a complete search has been made of the prior art or that no better art references than the reference cited in the IDS are available. The filing of this IDS shall not be construed to be an admission that the information cited in the IDS is, or is considered to be, material to patentability as defined in §1.56(b). Pursuant to 37 C.F.R. § 1.98(a)(2)(ii), copies of cited U.S. patents and patent publications are not provided herewith; a

copy of each cited foreign or non-patent reference is provided herewith for review by the Examiner.

The cited references are believed not to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over the cited references.

Cited references WO 2003/047602 and JP 1238597 were first cited in a communication that issued for the corresponding Japanese patent application not more than three months prior to the submission of this information disclosure statement. US patent no. 5,298,614 is being cited as the English counterpart of JP 1238597. Accordingly, under 37 CFR § 1.97(e)(1), applicants believes that no fees are required for filing this IDS. If any fees are required, the Commissioner is hereby authorized to charge the same to our Deposit Account No. 10-0435, with reference to our matter 43512-103808.

Respectfully submitted,
